Here are a few Jokes to laugh

The Goldbergs went to pay their respects to their good friend who had just died.

They filed past the coffin.

"How good he looks," remarked Mrs. Goldberg, "how relaxed, how tanned, how healthy!"

"And why not?" replied Mr. Goldberg.

"He just spent three weeks in Miami."

A Jewish man went for a walk in the woods. Suddenly, a 7-foot-tall bear appeared and approached him along the path. The man was petrified and began praying fervently for deliverance. The man noticed that the bear stopped, put on a kippah, and began praying.

As the man approached the bear with an outstretched hand to greet a fellow Jew, he heard the bear conclude his prayer with:

"Hamotze lechem min haaretz. Amen"

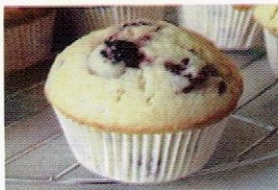

"Harvey, will you still love me when my hair is grey?"

"I've loved you through blond, brunette, red and every other color. Why not grey?"

How many rabbis does it take to change a light bulb?

Has not yet been determined. They are still searching for a Talmudic reference to light bulb.

Blackberry Muffins

Directions:

Yield: 12 Muffins

Ingredients:

400 grams Plain flour; 14 oz
175 grams Caster sugar; 6 oz
1 tablesp. Baking powder
Finely grated zest of 1 orange
1/2 teasp. Salt; 2,5 g
284 ml Carton buttermilk; 10 floz
2 Eggs, beaten
85 grams Butter, melted; 3 oz
250 grams Blackberries; 9 oz

1. Preheat the oven to 200C/400F/Gas 6. Grease a 12-hole muffin tin.
2. In a large bowl, combine the flour, sugar, baking powder, orange zest and salt. In a separate bowl, mix together the buttermilk, eggs and butter.
3. Make a well in the centre of the dry ingredients and pour in the buttermilk mixture. Stir until the ingredients are just combined and the mixture is quite stiff, but be careful not to overmix.
4. Lightly fold in the blackberries, then spoon the mixture into the tins to fill the holes generously.
5. Bake for 15-18 minutes until risen and pale golden on top. Leave to cool in the tin for a few minutes, as the muffins are quite delicate when hot. To turn out, run a palette knife around the edge of the muffins and carefully transfer to a wire rack to cool.

Short Story

Character Analysis & Summary

Peyton Farquhar - First introduced to the reader as "A Man.

"Bierce takes his time describing Farquhar who is to be hanged from a bridge, unfolding clues slowly about Farquhar's identity and status, immediately providing an engaging "hook" to draw in the reader. Gradually, we learn that he's not a soldier and he's being hanged for crimes against the Union. Later, he is described

as a 35 years old civilian, a Southern planter with good looks, lacking the look of a "vulgar assassin."

Union soldiers - The captain, first lieutenant, and sentinels are charged with executing Farquhar on the Owl Creek Bridge. The rest of the company is totally silent, respecting the rules for observing impending death. Farquhar's wife - Though

never appearing in the story, she represents the safety and comfort of home, which Farquhar chose to jeopardize when he attempted to sabotage the Union's advances by burning the bridge. At the end of the story, Farquhar has a vision of reuniting with her,

as part of his "white light" virtual escape.

Bierce may also intend to have her represent Heaven or spiritual resilience. **Union Scout** posing

as Confederate - The spy disguised as a Confederate soldier who informed Farquhar about the Union's plan to advance at the Owl Creek Bridge, and planted the idea that Farquhar burn it down to stop them.

You should Remember these Wisdom Sayings

„A life spent making mistakes is not only more honorable, but more useful than a life spent doing nothing.“	„Anyone who lives within their means suffers from a lack of imagination.“	„Believe that life is worth living and your belief will help create the fact.“
„Don't part with your illusions. When they are gone, you may still exist, but you have ceased to live.“	„Everyone is trying to accomplish something big, not realizing that life is made up of little things.“	„I have found that if you love life, life will love you back.“
„If I can stop one heart from breaking, I shall not live in vain.“	„In the end, it's not the years in your life that count. It's the life in your years.“	„Life biggest tragedy is that we get old too soon and wise too late.“

Love sayings for every Day

I would rather lose everything and have you than to have it all and not you.	The earth needs rain. The sun needs light. The sky needs stars. And I need you!	So many places in the world and still your arms are my favorite spot.
Why am I writing to you? Because I am thinking of you! Why do I think of you? Because I miss you! Why do I miss you? Because I love you!	From China to Europe the distance is about 8000 kilometers yet within my heart there is no distance at all when I think of you.	Wherever you go, keep me close to your heart – as I will keep you close to mine.
I choose you. And I'll choose you over and over and over. Without pause, without a doubt, in a heartbeat. I'll keep choosing you.	To say I love you would be an understatement. You are my life, and without you I can't go on.	I want you. All of you. Your flaws. Your mistakes. Your imperfections. I want you, and only you.
